Workshop

How to deal with Sensitive Data in the Social Sciences and Humanities

by ACDH-CH Austrian Center for Digital Humanities and Cultural Heritage
and AUSSDA - The Austrian Social Science Data Archive
presented by EOSC Future

What?

Free workshop for students and prae-doc researchers from the social sciences and humanities who want to understand what to consider when working with sensitive data.

Topics:

- GDPR, privacy, risk identification, direct + indirect identifiers, consent
- Open Science, FAIR and Personal/Sensitive Data
- Anonymisation Plans
- Archiving, Licencing and Access Management
+ practical exercises for identifying sensitive data, anonymising data, making anonymization plans etc.

When?

Wednesday, 30.08.2023
9-12 a.m.

Where?

ÖAW ACDH-CH
Seminar Room 1 (Ground Floor)
Bäckerstraße 13
1010 Vienna
